

# CARRIE SITZ

1ST GRADE TEACHER

---

Hello! I'm Carrie Sitz and I am excited to join the First Grade team this year. We are looking forward to helping your child build a positive foundation toward their successful path in education. I am married to David, who has been very supportive during my 26 years as an educator. We have one adult child son, Cole. I have a B.S. in Family Relations and Child Development, and a Masters in Early Childhood Education. In my spare time I enjoy sports, reading, and volunteering.
