Hello, my name is Katelyn Stinnett and I'm so excited to be joining The Schools @ St. Andrew's this year! I grew up in Littleton, CO and now live in Norman with my husband Trey, my step son Miles (13), our son Tucker (2), and our new daughter Lyla who was born this 4th of July! I earned a B.S. from Oklahoma Christian University in 2018. I have taught for 3 years in public schools and I am blessed to be able to come to SACS where I can share God's love with children while teaching them the foundations of education. In my free time I enjoy spending it with my family, going to Starbucks, and traveling.
