

MATT MORRIS

SPECIALS TEAM - PE

Hello! My name is Matt Morris, and this is my first year serving on the Specials Team at The Schools of St. Andrew's!

I am so excited to have the opportunity to support and work with your children at this wonderful school, a place that my wife, Alyson, and I have been blessed to be part of since 2019.

Our son, Max, began his journey at BBP as a two-year-old in the Tiny Turtle class and continued his education at SACS through third grade. In August 2026, Max joined his Lord and Savior, Jesus Christ, following a ruptured brain aneurysm. While our family continues to navigate life without him, our faith and the love and support of this community have been a tremendous source of comfort and strength.

St. Andrew's is so much more than Max's school or our church. It is our community, our extended family, and a place that has embraced and supported us through some of life's most difficult moments. I am incredibly grateful for that, and I never take it for granted.

I look forward to using this opportunity to share God's love and greatness with your children, encourage them in their faith, and help them grow in their relationship with Jesus Christ.

I am truly blessed to be part of the St. Andrew's family, and I look forward to a wonderful year with your students!
