Charleston's

Hello! I am Emily Cox and I am thrilled to be joining the SACS community this year and teaching your second grader! I graduated from Southern Nazarene University in 2009 with a B.S. in Elementary Education and obtained certification in Elementary and Early Childhood Education. I took a few years to pursue other endeavors but The Lord brought me back to teaching in 2011. I am joining SACS with twelve years of experience teaching kindergarten, first, and second grade. Most of my teaching career was spent with Yukon Public Schools where I respectfully walked away to spend this last year enjoying being a new mom. In my free time, I love being with my family. My husband, Tyler, and I have been married for almost 6 years. Our daughter, Ember, is 1.5 and she is such a joy! We currently have been enjoying walking and playing at the park, taking weekend trips to the lake, and exploring new places. On Sundays, my family and I attend Together We Church in Yukon and I serve in the Preschool Program. It is my desire that Jesus is always at the center of my life and I pray that His light will shine through me each and every day. I am looking forward to a fantastic year!
