Hi, I'm Lisa Allen and I'm excited to begin this school year at Blessed Beginnings. This will be my 11th year of teaching. My husband, Jody, and I have been married for 22 years despite me being a Sooner and him being a Longhorn. We have 3 girls that started school at Blessed Beginnings. Even though it feels like that was yesterday, we now have a freshman at MACU (Emma), a sophomore (Bella) in high school, and an 8th grader (Hayden) at the middle school in the Newcastle school district. Between all the daily and extra activities of family life I like to read, read, and read some more. It is a great privilege and blessing to teach and love child. I'm looking forward to seeing how they grow and show them how much God loves them.
