Hi! I'm Emily Short, and I am so excited to be joining the The Schools of St. Andrew's! I am currently a senior attending Mid America Christian University, where I will graduate this spring with my BA in Elementary Education. In my free time, I enjoy spending time with family and friends, trying new coffee shops, and baking when I get the chance. I am looking forward to working with A your child and I am so expectant of what the Lord will do this school year
