Hello! My name is Stephanie Pape and I am in the SACS office. I have been with Blessed Beginnings/SACS for four years now. My girls Harper and Hartlee attend school here as well and are in the Third and Fourth grade. They absolutely love their school and their teachers. They have been a part of SACS since Harper was a Leap Frog and Hartlee a Wiggly Worm.

This past June my husband Chris and I celebrated our 12 year wedding anniversary. We are active church members at Quest Church in Norman and love our Marriage Rocks Q group. As a family we enjoy traveling, watching movies, having game night and the occasional hike. I absolutely love to shop and decorate as well.

I am looking forward to a great and rewarding year watching your children grow in Christ and be challenged academically.
