Hello! I am Stephenie Bowlware and the 2023-2024 school year will be my 3rd year with The Schools at Saint Andrews and my 11th year teaching overall. I love working with kids of all ages and I am so excited to be the Monday Enrichment teacher as well as the SACS and BBP Interventionist. We are going to have an amazing school year! I have an awesome husband and a 9-year-old Shih Tzu dog named Kneesaa. We are also looking to add a new fur baby to our home so that is a very exciting search. In my spare time I love to golf, spend time with my family, and go to the movies. I also love country music and shopping with my mom. Traveling is one of my favorite things and I love all things Disney. I love the Lord with all of my heart and I believe that God has an amazing plan for our school, staff, and especially our students. I feel very blessed to be teaching here and I cannot wait to see what He has in store for us this year!

“Train up a child in the way he should go; even when he is old he will not depart from it.” -Proverbs 22:6
