Hello! My name is Melissa Phan, and I am thrilled to be your child's 1st grade teacher. I am happily married to my high school sweetheart, Nghia. We have an 18 year old son Noah, and we attend Life Church in Moore. For 13 years I co-led Konnect (Kids Ministry) at Life Church on Wednesday nights. We taught kids Kindergarten-4th grade about Jesus. In 1998, I graduated from the University Of Oklahoma with a BS in Microbiology and a minor in Chemistry. I started working at Medical Arts Lab. I was accepted into the Medical Technology Program at Saint Francis Hospital and continued my work as an MT (ASCP). This will be my sixth year teaching first grade at Saint Andrew's Christian School. I have been trained in Structured Language Basics/First Grade Foundations through the Payne Education Center, as well as, Shurley English. I absolutely love this grade and the growth you see during their first year of elementary school!
