Meddy's

Hi! I'm Stephanie Pape, and I've proudly been part of our school family for the past six years. I'm a mom to two amazing girls, Harper (6th grade) and Hartlee (5th grade), who've been here since their Leapfrog and Wiggly Worm days! We recently added a new member to our crew, baby Hudson, and our family of five is always up for a fun adventure.

Outside of school, I've been married to my husband Chris for 14 years. We love to travel, have cozy movie nights, play board games together, and get outdoors for a hike when we can. I truly love being part of a school that feels like home and getting to know all the wonderful students and families who make this place so special!
