Hello! My name is Nicole Stepniewski pronounced (Step-knee-es-key). My husband and I met 16 years ago and we have 3 wonderful children, Aubree, Jaxon and Emma. After 2 years of my son attending SACS, I decided I wanted to be a part of the fun! I have always loved children and used to beg my brother to play school when growing up. I am excited to meet your children and help them learn and grow!
