My name is Julie Kewley and I am so blessed to be starting my 16th year teaching here. My love for children has brought me here to teach your child. I grew up in Illinois and received my BA degree in Psychology from Monmouth College in Monmouth, Illinois. I met my husband Mike at Monmouth and we just celebrated our 42nd anniversary. Mike has just retired after 38 years with Farmers Insurance. Our daughter Michaela continues her career in child development. She recently married her husband, Reid, who is now an Assistant DA in Oklahoma County. I love our Wiggly Worms class and look forward to meeting our new students this year!
