

ALEXY BLOUGH

3RD GRADE TEACHER

Hello! I'm Alexy Blough, and I am so excited to be joining the teaching team at The Schools of St. Andrew's!

I graduated from the University of Central Oklahoma in 2016 with a degree in Early Childhood Education and earned my teaching certification. I began teaching right out of college, but after having my own babies, I eventually made the decision to step away from the classroom to stay home and raise them. Teaching has always held such a special place in my heart, and third grade has always been my absolute favorite! I think it's pretty amazing how God has opened the door for me to return to the classroom in the very grade I love most!

My husband, Jacob, and I are high school sweethearts! We've been together since 2010 and married for 11 years. We have three wonderful children: Alivia (8), Jake (6), and Jett (4). Our family stays busy with competitive soccer, and when we're not on the soccer fields, there's a pretty good chance we're on an airplane! Travel is a huge part of our lives, both personally and through the travel planning business I've built helping other families explore the world.

I believe teaching is about so much more than academics. I want my students to feel loved, encouraged, and confident in who God created them to be. I am incredibly thankful for the opportunity to be back doing something I love, and I can't wait to see what God has planned for our classroom this year!

MY FAVORITES
