Hi! I am Evan Harper! This will be my 4th year working at The Schools of St. Andrews. I was a hairstylist for several years before coming to BBP/SACS. My husband Taylor and I have two daughters Saylor (7) and Sevana (6) who attend Blessed Beginnings Preschool. My spare time is spent doing things with my family like gymnastics or traveling. I'm so excited to be working with your children this year! I look forward to learning and growing together!
