Hello! My name is Carol Bates – or Ms. Carol to my students. I look forward to meeting you and your child while teaching the Music classes at BBP and SACS this year. I have been teaching children for over 30 years and supposedly “retired” the end of May. I earned a BA in Music from the University of North Texas - NTSU when I attended! Several years later, I earned my Oklahoma vocal music teaching certificate for grades K- 12. Yes, I’m a Texan by birth and heart but have lived in Oklahoma for 34 years since my wonderful red- headed husband, Roger, stole me away from Texas. Roger and I have three amazing adult daughters and one rock-climbing son-in-law. We have two fur-kids and several grand-fur kids. I enjoy walking, yoga and reading in my hammock. My goal for this year is to share music with your children through singing, movement, rhythms, and instruments. Of course it will be a lot of fun, too!
