

JULIE CHAMBERLAIN

2ND GRADE TEACHER

Hello, my name is Julie Chamberlain, and I am excited to be in Second Grade again this year as a Teaching Assistant! I am blessed to be part of The Schools of St. Andrew's where I can help encourage and support students as they learn and grow.

I have a passion for working with children of all ages. Over the last 20+ years I have taught anything from babies to 6th grade in some capacity. Whether it was through school or church. Outside of the classroom, I enjoy spending time with my family, making memories, traveling, and going to the lake. I have been married to my High School sweetheart, Chad for 28 years and we have 3 adult children, 1 son-in-law and our first grand baby on the way! My faith, family, and the opportunity to serve others are some of the greatest blessings in my life.

I am looking forward to another wonderful year of learning, growing, and building relationships with our students and families!
