My name is May Moon. I am very blessed to be starting my first year at Blessed Beginnings to teach in the Wiggly Worms class. This class holds a very special place in my heart. It was our first class for my firstborn, Maddex (8), at Blessed Beginnings and his siblings, Miles (6), and Madison (4), have both completed it as well. My husband Michael MacGregor and I have been married for 16 years. I have been a stay at home mom for 7 years after working in various areas of Human Resources for Oklahoma City Community College and Enterprise Holdings. In my free time, I love exploring new opportunities and having fun with my kids, exercising at Orange Theory, shopping at TJ Maxx and Target, and spending time with family. I am thankful to have your child in class this year and I look forward to getting to know your precious child and your family!
