Hello! My name is Kayley Shropshire, and I'm so excited to be returning for my second year teaching at SACS! I graduated from the University of Oklahoma with a bachelor's degree in Education specializing in Language Arts. I previously taught 6th grade Language Arts at Irving Middle School in Norman, as well as 9th grade English at Community Christian School in Norman. I also spent time as a curriculum developer and instructional designer for OU's Center for Public Management before becoming a stay-at-home mom for three years. I have three wonderful little girls, Eleanor (7), Winnie (4), and Edie (2), who keep me and my husband on our toes! I enjoy thrifting, sewing, and drinking coffee, as well as traveling with my family and spending time together. I can't wait to meet you and your kiddos. We are going to have a great year!
