Charleston's

Hello, my name is Katelyn Stinnett and I'm so excited to be teaching at The Schools of St. Andrew's this year! I grew up in Littleton, CO and now live in Norman with my husband Trey, my step son Miles (16), our son Tucker (5), and daughter Lyla (3). I earned a B.S. from Oklahoma Christian University in 2018. I taught for 3 years in public schools and this is my 4th year at SACS. I am blessed to be able to teach where I can share God's love with children while teaching them the foundations of education. In my free time I enjoy spending it with my family, going to Starbucks, and traveling.
