## MY EDUCATION!

In 1998, I graduated from the University of Oklahoma with a BS in Microbiology and a minor in Chemistry. After graduation I began my first career job at Medical Arts Laboratory here in OKC. Several years later I applied and was accepted into the Medical Technology Program at Saint Francis in Tulsa. A year later I had graduated and began working at Saint Francis as a MT (ASCP). My husband's job would lead us here to SW OKC where I worked at LabCorp. I began my job as a stay at home mama when Noah was six months old. This will be my fifth year here at Saint Andrew's Christian School. I love it so much, and I am thrilled to get the chance to teach 1<sup>st</sup> grade again this year! God is so good!!
