Hello! I'm Erica Jenkins, and I am so excited to join the teaching team at The Schools of St. Andrew's. I have a heart for children to know God and achieve big things in the classroom. This is my fifth year of classroom teaching, but I began homeschooling my own children 14 years ago and have taught everything from phonics to chemistry!

I have a Bachelor of Arts in Social Work from Oklahoma Baptist University and hold a teaching certificate through ACTS.

My husband James and I have been married 25 years, and have 3 wonderful kids: Henry, who is a Freshman in college, and Charlie and Betsy Kate who are both in 10th grade. We live in Moore and are members of Redeemer Church in Norman.

"Let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven."

Matthew 5:16
